

How you want to be treated.

PHC Patient Care Information Systems (PCIS) Sunrise Clinical Manager (SCM) Allied Health Students Access Request Form

IMPORTANT INFORMATION

Training is mandatory for all allied health students on their first placement at PHC facilities in order to receive access to the electronic patient chart for online orders, results & documentation. This includes Physiotherapy, Occupational Therapy, Speech Language Pathology, Respiratory Therapy, Social Work, Pastoral Care, and Dietary.

REGISTRATION FOR TRAINING

- **Allied Health Students** are required to complete 2 courses. The students must register Learning Hub (<https://learninghub.phsa.ca/>) for the following courses:
 1. PCIS PHC 300 - SCM Referral
 2. PCIS PHC 100G - SCM Basics

The department manager / supervisor are to complete and submit this form to phcpcistrainingrequest@providencehealth.bc.ca or fax to 604.875.4064

Training is not required for returning allied health students; however this form **MUST** be submitted in order to reactivate your account as passwords expire at the end of each placement.

ALL fields are mandatory. Incomplete information will delay registration. Print legibly.
